Discontinuance of the XI Standard in Higher Secondary and Multi-Purpose High Schools

*Q.—97. Sri S. KARIAPPA (Kanakapura).—

Will the Government be pleased to state :—

(*a*) whether it is not a fact that circular instructions have been issued to the effect that the XI Standard in the Higher Secondary and Multi-purpose High Schools should not be opened or continued from the next academic year :

(*b*) if so, the reasons for doing so ;

(*c*) the extent to which the students who have taken agriculture as elective one are affected due to the above instructions ;

(*d*) whether the Government have considered the case of teachers who are going to be affected as a result of such an action, in the full fledged Higher Secondary and Multi-purpose High Schools ;

(*e*) whether the Government have thought of any relief measures in the case of students and teachers who are likely to be affected ;

(*f*) if so, what they are

(*g*) whether there are any representations from any quarter or quarters in this regard ;

(*h*) if so, the points urged by them ?

A.—Sri S. R. KANTHI (Minister for Education).—

(*a*) Yes.

(*b*) The syllabus for the Standard XI is not finalised.

(*c*) These students may not have difficulty in joining the P.U.C. course in the two Universities.

(*d*) No.

(*e*) Does not arise in view of reply to Clauses (c) and (d).

(*f*) Does not arise in view of reply to Clause (c) above.

(*g*) Yes.

(*h*) It is urged that :—

(1) Postponing the opening of the XI Standard during 1963-64 will seriously affect the educational career of the students who have offered agriculture as an elective after passing the X-Standard examination in 1963.

(2) Students who have now taken Agriculture under electives will not be admitted to the Pre-University Course in any college, as there is no provision for the teaching of that subject at the Pre-University Course level.

(3) These students, although they pass X-Standard Public Examination do not become eligible for admission in the Agricultural College because the minimum academic qualification for admission there is the Pre-University Course Examination.

(4) There is no continuation course in Agriculture at the end of X-Standard in any other institution and the career of such students will be spoiled if facilities for the teaching of that subject are not provided for one more year at the end of the X Standard.

(5) The students taking Agriculture as an elective subject and passing the X-Standard Examination cannot change their elective subject in the Pre-University Class as such a change is not permissible under University Regulation.

Sri G. V. GOWDA.—It has been stated that the syllabus for the Standard-XI is not finalised. Is it not a fact that a uniform scheme so far as Standard-X throughout the State will be achieved by the end of this year ?

† **Sri S. R. KANTHI.**—It is going to be achieved by the end of this year, and there is going to be a common syllabus including the X-Standard.

Sri G. V. GOWDA.—When the Government knew that a common uniform pattern has to be achieved by the end of this year, should they not have evolved a common syllabus so as to commence from 1963-64 ?

Sri S. R. KANTHI.—I have already explained this matter that there were particular difficulties. Those difficulties were, that the two Universities in the State had no common syllabus for P.U.C. So, it was not possible to evolve a common syllabus for the X-Standard. Now, the Mysore University had announced that they are going to have a common syllabus from 1963-64. Soon after this is finalised, it will be possible to evolve a common syllabus.

Sri K. S SURYANARAYANA RAO.—Are weto take it that Standard-XI is to be suspended for the year 1963-64 ?

Sri S. R. KANTHI.—We have not introduced the XI-Standard.

Sri G. V. GOWDA.—Can we have the assurance that they are going to have XI-Standard from 1964-65 at least ?

Sri S. R. KANTHI.—It is under consideration. On account of the emergency we had to hold our hands back. When the situation improves, we will not only have a common syllabus for the XI-Standard, but also we will be able to implement it from the year 1963-64.

ಶ್ರೀ ಎಸ್. ಕರಿಯಪ್ಪ.—ಅಗ್ರಿಕಲ್ಚರ್ ಕೋರ್ಸ್ ತೆಗೆದುಕೊಂಡಂಥ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಎರಡು ವರ್ಷ ಕಂಪ್ಲೀಟ್ ಆಗುವುದಿಲ್ಲ. ಅವರ ಗತಿ ಏನು ಸ್ವಾಮಿ ?

Sri S. R. KANTHI.—Now, we have to evolve a common syllabus by the end of this year. It will be applicable not only to the full fledged Higher Secondary Schools, but also to the Multi-purpose High Schools. So far as S.S.L.C. is concerned, there will be no difficulty. The students can appear for the S.S.L.C., through the Multi-purpose High Schools, and if they pass, they will be admitted to the Pre-University Course in the Mysore University. We are corresponding so far as the other University is concerned.

ಶ್ರೀ ಆರ್. ಎನ್. ಲಕ್ಷ್ಮೀಪತಿ.—ಮಲ್ಟಿಪರ್ಪಸ್ ಹೈಸ್ಕೂಲುಗಳಲ್ಲಿ ವ್ಯವಸಾಯ ತೆಗೆದುಕೊಂಡ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಕಡ್ಡಾಯವಾಗಿ ವ್ಯವಸಾಯ ಕಾಲೇಜಿನಲ್ಲಿ ಸೀಟು ಕೊಡುತ್ತೀರಾ ?

Sri S. R. KANTHI.—Those who pass the S.S.L.C. from the Multi-purpose High School, they will be admitted to the P.U.C. We have made a request to both the Universities. After passing the P.U.C., they will be admitted to the Agricultural College.

Sri K. S. SURYANARAYANA RAO.—What should happen supposing there is no P.U.C. examination ?

Sri S. R. KANTHI.—It was the old syllabus - in Hyderabad-Karntak it was XI-Standard, in ex-Mysore it was called the X-Standard and in Coorg it was called the VII Form. All these will be abolished shortly, and from next year there will be uniformity. Those who pass the above examinations, they will be directly admitted to the P.U.C.

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—" Students who have now taken Agriculture under electives will not be admitted to the P.U.C. in any college," ಇಂಥ ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಕಾಲೇಜಿನಲ್ಲಿ ಅಡ್ಮಿಷನ್ ಕೊಡದೆ ಹೋದರೆ ಅವರ ಗತಿ ಏನು ಸ್ವಾಮಿ ?

Sri S. R. KANTHI.—I have already said that the Director of Public Instructions is corresponding with the two Universities. There will not be much difficulty so far as Mysore University is concerned, but with regard to the Karnatak University there will be difficulty. Those who pass S.S.L.C. from the Multi-purpose High School with Agriculture as an elective subject, they will be admitted to the P.U.C. in Science. If I can give the correct position, the student of the X-Standard in the Multi-purpose High School, will have taken in the Compulsory Group, General Science and Elementary Mathematics, and under Group IV he takes Chemistry and Biology; and, as such there will be no difficulty to admit him to the P.U.C. in Science.

ಶ್ರೀ ಎಸ್. ಕರಿಯಪ್ಪ.—Pre-University course ಗೆ Physics, Chemistry, Mathematics group ತೆಗೆದುಕೊಂಡ ವಿದ್ಯಾರ್ಥಿಗಳು ಸೇರುವುದಕ್ಕೆ ಸಾಧ್ಯವಿದೆಯೆ ? ಈ ರೀತಿ ಮಾಡುವುದಕ್ಕೆ ಫಾಕಲ್ಟೀಸ್ ಒಪ್ಪಿಗೆ ಪಡೆದಿದ್ದೀರಾ ? ಅಕಡೆಮೀಕ್ ಕೌನ್ಸಲ್ ಒಪ್ಪಿಗೆ ಪಡೆದಿದ್ದೀರಾ ?

Sri S. R. KANTHI.—I have already said that we are corresponding with the two Universities, and as far as Government can see, there is not much difficulty so far as Mysore University is concerned. There is slight difficulty in respect of Karnatak University, and it will be overcome.

Sri G. V. GOWDA.—Is it not a fact that the students who take agriculture as an elective subject are compelled to go only to the Agricultural Colleges unlike other students taking Medicine or Engineering Courses ?

Sri S. R. KANTHI.—Under the old syllabus, they can go only to the Agricultural College, but if they take the Science group, they can have other facilities also.

ಶ್ರೀ ಎಸ್. ಕರಿಯಪ್ಪ.—ಈಗ X Standard ನಲ್ಲಿರುವವರಿಗೆ ಕೆಮಿಸ್ಟ್ರಿಯಾಗಲಿ, ಫಿಜಿಕ್ಸ್ ಆಗಲಿ, ಮ್ಯಾಥೆಮೆಟಿಕ್ಸ್ ಆಗಲಿ ಸಾಕಷ್ಟು ಜ್ಞಾನ ಬರುವುದಕ್ಕೆ ಅವಕಾಶವಿಲ್ಲದೇ ಇರುವುದರಿಂದ ಅಂಥವರನ್ನು ಫ್ರೀಯೂನಿವರ್ಸಿಟಿ ಕೋರ್ಸಿಗೆ ಸೇರಿಸಿಕೊಳ್ಳುತ್ತಾರೆಂಬುದಕ್ಕೆ ಅನುಮಾನವಿಲ್ಲವೆ ?

ಶ್ರೀ ಎಸ್. ಆರ್. ಕಂಠಿ.—ಅನುಮಾನ ಬಂದಿಲ್ಲ, ಈಗಲೇ ನಿಶ್ಚಿತವಾಗಿ ಹೇಳುವುದಕ್ಕಾಗುವುದಿಲ್ಲ ಅವರ ಜೊತೆಯಲ್ಲಿ ಪತ್ರವ್ಯವಹಾರ ನಡೆಸುತ್ತಿದ್ದೇವೆ.

Sri G. V. GOWDA.—Students who have taken agriculture as elective subject in High Schools, will they not have admissions to P.U.C in any other college with other combination ?

Sri S. R. KANTHI.—There are diffierent groups of curricula. For instance, group 1 is humanities, Arts and Science, group 2 is science, and group 3 is technical science and group 4 is agriculture. These students study the same chemistry and biology as under group 2. So they can be admitted for science group.

ಶ್ರೀ ಎಸ್. ಕರಿಯಪ್ಪ.—ಮಲ್ಟಿಪರ್ಪಸ್ ಹೈಸ್ಕೂಲುಗಳಲ್ಲಿರುವ ಉಪಾಧ್ಯಾಯರುಗಳನ್ನು ಎಂ.ಎಸ್.ಸಿ. ಮತ್ತು ಎಂ. ಎ. ಡಿಗ್ರಿ ತೆಗೆದುಕೊಳ್ಳುವುದಕ್ಕೆ ಡೆಪ್ಯೂಟ್ ಮಾಡಿದ್ದೀರಿ. ಅವರು ಪಾಸು ಮಾಡಿಕೊಂಡು ಬಂದ ಮೇಲೆ ಅವರ ಗತಿಯೇನು ?

ಶ್ರೀ ಎಸ್. ಆರ್. ಕಂಠಿ.—ಈಗ ಹಾಲಿ ಇದ್ದವರು ಮತ್ತು ಮುಂದೆ ಬರುವವರು ಎಲ್ಲರನ್ನೂ ಕೂಡ ಅವರು ಯಾವ ಯಾವ ಹೈಸ್ಕೂಲಿನಲ್ಲಿ ಇದ್ದಾರೆಯೋ ಆಯಾ ಹೈಸ್ಕೂಲಿನಲ್ಲಿ ಅಡ್ಜಸ್ಟ್ ಮಾಡಿಕೊಳ್ಳಲಾಗುತ್ತದೆ.
